Important Notes

1. If this Opt-In Notice is received within 12 months of a previous Opt-In Notice and you have subsequently ceased membership of the Scheme, the Company is **not** required to include you in the Scheme. If this applies to you, you will be advised of the Company's decision.
2. You will be enrolled in the Scheme with effect from the first of the month following receipt of your completed Opt-In Notice and pension deductions from your salary will also begin in that month. You will see this on your payslip.
3. You will be automatically brought into the SMART Contributions arrangements under which the Company will pay pension contributions to the Scheme on your behalf and your salary will be reduced by an equal amount. You can opt out of these arrangements. Please see 'Your guide to the Defined Contribution Section' for full details of SMART Contributions.
